This Contemporary multi-level home has been thoughtfully re-designed and expanded to include the addition of a second floor primary suite. Located close to popular Walnut Hill, this home is on an ended way yet also provides easy commuter access to Route 9. There are three bedrooms on the one level with an updated bath. The architect designed addition of second floor fourth bedroom/primary suite with walk in closets and full bath! Living room with fireplace and a dining room that has sliders to a deck and spacious fenced backyard with perennials. There is also an office / artist studio just off the lower level tiled family room with recessed lighting. A one car garage and bluestone walkway with perennial gardens to the front door. Central air! Natick offers great commuting options, Natick Commons and a vibrant downtown.
